# PREFACE

THE GENERAL CONFERENCE MENNONITE CHURCH is an entity composed of member congregations in North and South America. It is incorporated under the statutes of the state of Kansas in the U.S.A. Churches have united to form a Conference of Mennonites in Canada, five area conferences in Canada, six area conferences in the United States, a South American conference and conferences in Brazil, Paraguay and Uruguay. Mennonite Conference of Eastern Canada, Pacific Southwest Mennonite Conference and Pacific Northwest Conference are integrated area conferences which also relate to the Mennonite Church.

The delegate body which meets triennially is elected by individual churches on the basis of one delegate per 30 members or fraction thereof. At the triennial sessions delegates elect three officers: moderator, assistant moderator and secretary. The delegate body also elects members to a general board, program commissions, a seminary board and a division of general services. These bodies meet annually as a Council of Commissions. It is at these sessions that programs are planned and the annual budget is adopted.

A subsidiary investment corporation, Church Extension Services, is incorporated under the statutes of the state of Kansas and deals with specific areas of program work.

A number of institutions and organizations, such as Africa Inter-Mennonite Mission, Mennonite Central Committee, colleges and hospitals bear a functional relationship to the conference through the commissions or the general board. These institutions, recognized as relating to the General Conference, are part of the corporate structure of the General Conference Mennonite Church. They have their own corporate structures as set up under the statutes of the states in which they are located. The General Board appoints three representatives to Mennonite Central Committee and three to Mennonite World Conference.

The purpose of the General Conference Mennonite Church, as stated in its constitution, is "to proclaim Jesus Christ through appropriate ministries throughout the world to the end that persons may put their trust in God and receive Jesus Christ as Savior from the guilt and power of sin and serve him as Lord in the fellowship of the church; and to assist congregations in Christian worship, nurture and witness; and together to understand more adequately the essence of the Christian faith and accept its implications for total living."

At the joint convention of the Mennonite Church and the General Conference Mennonite Church in Wichita, Kansas, in July 1995, both denominations adopted the following vision statement:

## Vision: Healing and Hope

### *Vision*

God calls us to be followers of Jesus Christ and,  
by the power of the Holy Spirit,  
to grow as communities of grace, joy, and peace,  
so that God's healing and hope flow through us to the world.

### *Priorities*

To follow Jesus Christ more faithfully we are called to:

- enrich our prayer, worship, and study of the Scriptures.
- offer all that we are and have to God.

To grow as communities of grace, joy, and peace we want to:

- call and nurture congregational leaders for ministry in a changing environment.
- practice love, forgiveness, and hospitality that affirm our diversity and heal our brokenness.

To live as people of healing and hope we are committed to:

- invite others to faith in Jesus Christ.
- seek God's peace in our homes, work, neighborhoods, and the world.

## CHINA EDUCATIONAL EXCHANGE

The China Educational Exchange, begun in 1981, is a program in which four Mennonite mission boards, seven Mennonite colleges, Mennonite Central Committee, the North American Chinese Mennonite Council, Mennonite Health Services, and Mennonite Medical Association cooperate. Professionals from the fields of teaching, nursing, medicine, mental health and agriculture spend time in China teaching language, culture, and history, and sharing and learning in their fields of expertise. Likewise, Chinese professionals come to North America to teach and study for varying lengths of time. CEE also provides ways for the Mennonite church to be in touch with Christians and churches in China.

## MENNONITE MUTUAL AID

Mennonite Mutual Aid functions on an inter-Mennonite basis, serving General Conference Mennonite Church, Mennonite Church, Mennonite Brethren, and related Anabaptist groups. MMA reports annually to the General Conference at its Board and Commission meetings in March. Reports are made to the Division of Administration and the U.S. Council. MMA also reports three times a year to the Mennonite Church General Board. Members of the MMA Board of Directors are elected or appointed from the General Conference Mennonite Church, Mennonite Brethren, and Mennonite Church.

Mennonite Mutual Aid provides insurance plans, financial services, charitable programs and educational resources to help Mennonites and related groups practice the biblical principles of mutual aid and stewardship. To accomplish this, MMA programs operate through eight legal entities. The MMA Board of Directors serves as the board for each of the following:

Mennonite Mutual Aid Association--fraternal benefit association; provides medical expense and life plans for individuals, congregations and institutions,

and retirement plans for persons with earned income.

# GENERAL CONFERENCE MENNONITE CHURCH

This circle drawing reflects the interaction of the congregations, area conferences, inter-Mennonite agencies, commissions, institutions and organizations related to the General Conference.

Members of commissions and boards and representatives of most of the organizations on this chart gather each March as a Council of Commissions to give counsel to the General Board which gives overall direction to the conference, establishes priorities, sets the annual budget, appoints executive staff and makes bylaw changes.

The congregations in Canada have five area conferences in addition to the Conference of Mennonites in Canada. The congregations in Brazil, Paraguay and Uruguay have their respective national conferences in addition to the South America Conference.

General Conference schools in Canada are owned by area conferences. In the United States they are owned by church-related societies.

The Program Committee plans the triennial conference sessions.
